

### Itinéraire ligne 76

This map displays the Itinéraire ligne 76, a blue dotted route connecting various municipalities in the Liège region. The route starts in the north near Houtain-Saint-Siméon and Boirs, moves south through Houtain, Haccourt, and Hérme, then continues south through Milmort, Vottem, Herstal, and Wandre, before heading east towards Charatte, Argenteau, and Saint-Remy. The route eventually turns north and east, passing through Berneau, Mortroux, Julémont, and ending near Evégnée and Retinne. Major roads shown include the A15, A26, and N100. The Meuse river is a prominent feature running through the center of the map.
